Fee system

- ★ Your base price will be per the approved time-based rate preset by the Ministry of Land, Infrastructure, Transport and Tourism.
- ★ Your price will vary based on your pick-up location and destination and will be calculated as follows:
 - (1) time when the vehicle leaves our garage +
 - (2) your hours of service/transportation package +
 - (3) time when the vehicle returns to our garage.
- ★ You will be charged for hours you used our service plus the out-of-service fee.
- ★ Other fees including highway tolls, parking fees, admission fees, and accommodation fees will be charged separately from this price.
