★ Your price will vary based on your pick-up location and destination and will be calculated as follows: (1) time when the vehicle leaves our garage + (2) your hours of service/transportation package + (3) time when the vehicle returns to our garage.
 ★ Other fees including highway tolls, seat class/special service fees, parking fees, admission fees, and accommodation fees will be charged separately from this price.

★ You will be charged your "base rate" plus "seat class/special service fees."
 *Applies when the customer specifies the vehicle model for their package.
